**Data Sources:** WebDataExchange 4/14 and FEMA SRL List 4/14

**NOTE:** The Data contained on this report are Repetitive Loss Properties, as identified by the Federal Emergency Management Agency.

**Web Data Exchange Report Description and Use**

Report displays repetitive loss summary data by state and community. User selects current repetitive loss properties, mitigated properties, or combined. Report includes number of the selected type of properties in each community in the user's state, as well as community summary statistics. A drill-down to specific property data for each community is available.

**Report Drivers**

This report provides FEMA Mitigation Staff, regions, and states the opportunity to see whether particular communities/regions need to increase their mitigation outreach efforts to avoid future repetitive losses to their structures.

**Field Descriptions**

County Name: Name of the county. Report is divided into State regions, counties, and communities.

Community Name: Name of the community

Community Number: Six-digit number uniquely identifying the NFIP community

Total Losses: Total number of losses or claims identified by the NFIP

Total Building Payment: The total amount of payments on losses, excluding contents, for current RL properties in the community

Total Contents Payment: The total amount of payments on contents losses for current RL properties in the community

Total SRL Structures: The total number of properties that meet the statutory definition of SRL and included on FEMA's tracking list
